.....

Held at Adams Pointe Conference Center in Blue Springs, Missouri, this year's Safety Excellence Awards Breakfast kicked off the first-ever Midwest Construction Safety Conference. The event was held over two days, with a Safety Exposition and informative breakout sessions led by top safety professionals.

The Builders' Association delivers safety training to over 5,000 employees annually. The Association has over 1,000 general contractor, subcontractor, and supplier/service provider members in the commercial, industrial and municipal utility construction industry employing over 30,000 people.

Office locations include its Education and Training Center (a 100,000 square foot apprenticeship and management training center in North Kansas City, Missouri); an administrative office and plan room at 720 Oak Street in Kansas City, Missouri; and offices, plan rooms, and training facilities in Columbia, Jefferson City, and Springfield.

Rory O'Connor is 2010 Chairman of The Builders' Association. Don Greenwell is President. Phil Shoemaker is the Safety & Health Services Director. The Builders' Association was established in 1887.
